skin boosters

Profilo | £250 or 2 for £400

An injectable hyaluronic acid gel (similar to fillers) in ultra pure form, Profilo improves skin quality & laxity to combat the signs of ageing, giving your skin a radiant glow.

Seventy Hyal | £150 or 2 for £250

Viscoderm HydraBooster | £250 or 2 for £400

By the makers of Profilo, suitable for treating more delicate areas including forehead, smile lines & perioral (smoker's) lines.

Beautifeye | £150 or 3 for £350

A powerful combination of FILLMED's NCTF mesotherapy for fine lines & dark circles around the eyes. Together with a lymphatic drainage massage, Skin Perfusion Eye Recover Mask & Dermalux treatment to finish, Beautifeye reduces puffiness, dark circles, fine lines & wrinkles - helps to lift the eyelid, hydrates the eye area & restores radiance.

Bio Nutri Glow | £150 or 3 for £350

A luxurious treatment for the face, which combines a FILLMED peel, NCTF mesotherapy, FILLMED Hyaluronic Youth Mask & a 20-minute Dermalux treatment.

skin rejuvenation

Microneedling with Digital Device | from £150

NEW! Radio Frequency Microneedling

Eyes | £145 Face | £275

A minimally invasive treatment using specialised microneedles to direct targeted radiofrequency energy into the skin, to treat a wide range of skin concerns such as lines/wrinkles, skin laxity, scarring, open pores, redness, rosacea, pigmentation, stretch marks & much more. Includes hydrating mask.

Dermalux LED Light Therapy | £50 or 4 for £150

A non-invasive treatment that harnesses the power of pure light to accelerate natural skin rejuvenation & repair processes - for naturally vibrant, more youthful & clearer skin.

Add onto another treatment | £25
